

WEALTH XCEL

Financial Entity Verification Certificate

This Financial Entity Verification Certificate confirms that Wealth Xcel is recognized internally
as a
structured financial entity operating within documented compliance, operational protocols, and
risk-managed frameworks.

Wealth Xcel upholds the following:

Verified operational identity as a financial entity
Multi-layered reserve and protection systems
Internal organizational governance standards
Secure and structured financial activity monitoring
Risk-controlled operational practices
Verified internal documentation and structural validation

This certificate acknowledges that Wealth Xcel operates as a defined financial entity under
an established internal verification framework.

Official Company Seal — Certified Global Financial Entity
