

WEALTH XCEL

Certificate of Compliance

This Certificate of Compliance confirms that Wealth Xcel maintains an internal operational framework aligned with international standards of financial conduct, risk management, and organizational governance.

Wealth Xcel maintains:

- Multi-layered internal risk management protocols
- Portfolio reserve protection structures
- Internal audit and operational review cycles
- Compliance monitoring and ethical conduct guidelines
- Secure verification standards (KYC / AML internal procedures)
- Client account protection and operational integrity measures

This certification reflects adherence to documented internal policies that ensure the safety, structure, and integrity of Wealth Xcel's financial operations.

Official Company Seal — Global Financial Entity

Issued by Wealth Xcel — 2025 — Version V1.0 (Internal Compliance Record)
